CONVENTION STATEMENT OF ANONYMITY

Anonymity is one of the most important issues in the structure of Cocaine Anonymous. Therefore, in observance of the Eleventh Tradition of Cocaine Anonymous: “Our public relations policy is based on attraction rather than promotion: we need always maintain personal anonymity at the level of press, radio, television and films.” We earnestly request that those gathered here honor this condition of anonymity. In keeping with our traditions, we request that no photographic or video recording of the convention be distributed, published, or downloaded in any general public forum including the internet and/or any other electronic communications network. We specifically request that members refrain from posting on any social networking site any convention photos or videos which identify any activity, entity or person as being associated with Cocaine Anonymous. If you should happen to recognize someone here who identifies themselves as an addict, please keep that knowledge strictly to yourself. Thank you.

Unity...Through applying the Twelve Steps and the Twelve Traditions, we grow in love, tolerance, and respect for each other. This spiritual growth allows us to rise above prejudice, regardless of religion, ethnicity, economic status, age, gender, or sexual orientation, to carry the C.A. message. Though we are different, we are the same. Regardless of the author, we share the same story. Recovery is possible—together. Unity preserves our C.A. Fellowship. Unity preserves our legacy of Hope, Faith, and Courage. Unity preserves our personal recovery, our reunited families, and our rediscovered dreams.
